tan Museum at Last.

Completed in Two Weeks.

truth the workingman's museum. It is to be free to the public Sunday afternoons this Sum-

cable, has grown in favor, and when all arguments having failed-it was said that money was necessary, the people came forward and raised \$4,000. THE WORLD capping the climax and closing the argument by sending its check for \$2.5%, the amount necessary to make the sum required.

Therefore when the Board of Trustees met iternoon, all it could do was to resolve that in his lawyers. until further notice the Museum of Art in Cen-

an bour before sunset.

I: will take a couple weeks to make the Sunday in this month.

A representative of THE WORLD was present at the meeting, a check for \$2,500 in h s hand,

people. But if requires a vasi deal of money ton of being the first formula. It is destined to be one of if not the Methodist Episcopal Ciprestest art museum in the world. We now receive from the city Board of Apportunement of the city Board of Apportunement (SS, 600 a year, but it costs \$66,000 to \$68,600 to There are watchmen, firemen, electriciens and decautes to the number of fifty employed at days in the week. We have added to the EX,000 sams received for admissions on the two pay days and from the sale of catalorues. We have raised other sums by beginning at the last have made up an annual seddency from our own pockets. We have heatstell to open the miscum on Sundays because of the expense.

WORLD and the people have obviated The World and the people have obvisted to difficulty for the present, but the Board of Alportionment should provide for it in the finite. We are now financially prepared for o entire the Museum Sunday afternoons for boat six months, the expense of the new department teing about \$200 for each Sunday. It is hoped that the preparations for the insularism of the open Sunda a may be compitted to as to open a week from next Sunday. Speaking of the duty of the Board of Estimate and Apportionment toward the museum one of the trustees said:

TO BE BURIED AS A SUICIDE.

Identification of Mrs. Mahler Satisfactory to the Authorities.

STAPLETON, S. I., May 19. - If the inquest Printag evening develops nothing new as to the death of Mrs. Emma Mahler, whose body was washed schore near New Dorp Saturday night, Railroad Commissioners Deny a the authorities will take no further action, as it is now believed that Mrs. Manier committed

The identification yesterday by Mrs. Manler's cons and daugnters to gati-factory to District-Attorney Pitzgerald, and he has given them permission to remove the body. still at the County flouve in the town of South-field, but will be removed to a day or two and buried in the flatheran Cemetery, Brooklyn. It as not considered promote that anything new will be developed. The green thy ac-cepted theory is that when Mrs. Manler lett her con's home in Jersey City the night of Jan. 21 shr went to the river front, tied the payth, stone to per waist and immediate the Jan. 21-b went to the river froot, tied the paving state of the paving state of the result of the paving state of the contained as a condition precedent to the obtained as a condition precedent to the contained as a condition precedent to the obtained as a condition precedent to the obtained as a condition precedent to the contained as a condition precedent to the obtained as a condition precedent

their board and all expenses, or either or none at at 1, but as they themselves elect.

Their measure is to visit the sick and poor and relieve destitution and distress to the best of their ability. Their work is non-sectarian. Mrs. Jenkins as a nurse has a record of over soven numbered profe-should calls.

Mis- Isabelli A. Retwes is Sujerintendent of the New York itomis.

Mrs. Jenkins hooked dainty as she received the Brst variations purchased. She wore a pisto black gown with white likes at the neck and a bunch of tiles of the valley at her breast. A soft, filmy nurses cap rested on her shapely head.

CAN'T EXTEND THE TROLLEY.

Coney Island Railway Petition,

ALBANY, May 19. -The State Reliroad Commissioners to-day handed down a decision refosing the a pileation of the Coney Island and Brooklyn Railroad Company for a change of notive power on a partion of its route to the motive power on a partion of its route to the single trolley ricetric system.

The road is now operated by this system from Coney is and to Franklin avenue, in the Town of Flatbush, and it sked permission to extend the trolley line to the corner of Ninta avenue and Ninth street.

One-half in vaine of the property along the route not giving its consent to the change the Commusioners decided that such consent must be obtained as a condition precedent to the granting of the petition.

Rumored Elopement.
